Microsoft Excel

Mobile testing

Mobile Testing

Oracle

I am a Junior QA Tester, focused on finding and solving problems.

I have basic skills and practical experience in HTML, SQL , API testing, creating a Test Cases and Test Reports.

I also have knowledge of different testing approaches. I effectively use tools like TestRail, Jira, Postman, Trello, TestLink etc in my work.

I am constantly improving and learning, and am looking for a company where I will continue to grow.
